

DEMAND SATISFACTION
Persephone Plus's dueling earrings are guaranteed to satisfy on every front. Sassy and sexy, they're the perfectly quirky baubles to complete your nod to steampunk style. (\$22, [etsy.com/shop/PersephonePlus](https://www.etsy.com/shop/PersephonePlus))

TIMELESS TOP HAT
Nothing says steampunk like a bespoke top hat with working clock. Custom-made from high quality wool, this signature piece is as well-made as it is audacious. (\$140, [etsy.com/shop/starlitwolfing](https://www.etsy.com/shop/starlitwolfing))

IN THE NECK OF TIME
Made from a genuine U.S. military issue 100 percent wool scarf and vintage East German Army utility straps, MIR's Apocalypse Cowl is the perfect marriage of comfort and style, sure to keep you cozy whether you're braving the winter cold or off adventuring in your airship. (\$85, [etsy.com/shop/ShtrafBat](https://www.etsy.com/shop/ShtrafBat))

Like Clockwork

If you love the look, but going full steampunk seems a bit extreme, infuse a little bit of fantasy and drama into your everyday look with a unique accessory or signature piece that captures the theatrics and whimsy of this über-chic style. By Rachel Shatto

CAPTIVATING CUFFS
Featuring antique wristwatch movements, circa the 1930s, these elegant and sophisticated cufflinks are embellished with rubies, gold gears and highly polished silver plates. The perfect fit for even the fussiest of steambutchers. (\$79, [etsy.com/shop/steampunknation](https://www.etsy.com/shop/steampunknation))

JEWELS OF THE SEA
This gorgeous bejeweled octopus hair clip is sure to make an impression. Decorated with pearls and other underwater delights, it still manages to remain lightweight enough to stay in place without tugging at your hair. (\$30, [etsy.com/shop/SteampunkCouture](https://www.etsy.com/shop/SteampunkCouture))

OFF THE CUFF
Big, bold and badass, this one-of-a-kind eye-catcher is crafted by hand from a vintage Union Co. pocket watch paired with a wide, textured faux leather band. (\$150, [etsy.com/shop/kodashii88](https://www.etsy.com/shop/kodashii88))

IN GEAR
Kick up your heels with these steamy embellished boots. Made with vegan suede, this hot footwear pairs gears with scalloped edges on faux spats—perfectly embodying the steampunk aesthetic of 19th century tech meets Victorian. The result: modern and oh-so-sexy. (\$60, [clockworkcouture.com](https://www.clockworkcouture.com))
